Dr. Ifeoma Achusim
Abundant Love Health Care, LLC

Dr. Ifeoma (Ify) Achusim, married her beau, Dr. Louis Achusim, and together have three handsome boys. She founded Abundant Love Health Care LLC a public health pharmacist clinic in 2018 and officially opened on March 1, 2020.

The clinic provides both preventive and chronic disease maintenance services to promote “a healthier you, a healthier New Mexico,” says Dr. Achusim.

The clinic is one of its kind in the state of New Mexico, where nursing, pharmacy, public health combine with a concentration in nutrition, to provide holistic preventive, and chronic disease maintenance services.

Originally from Orizu Royal dynasty in Nnewi, Anambra state, Nigeria. Dr. Achusim obtained her Nursing and Midwifery education. She then attended UNM college of Pharmacy from 2003 to 2007. Upon completion of her studies, she aspired to one day have a pharmacy of her own. She has worked in a variety of areas of pharmacy, hospital pharmacy, community pharmacy and even worked as a provider in an Anticoagulation clinic as well.

Throughout this period, she maintained her active nursing license, and three years after graduation, founded a non-profit organization, and hosted a drug consultation program called “Ask the Drug Expert”. “Participants in this program were concerned about their food *and* medication”. So, to make sure she was authorized to counsel in both medication and nutrition, she went back to school and completed her Master’s in Public Health with a concentration in nutrition from Liberty university, Lynchburg, VA.

Abundant Love Health Care LLC envisions a future where pharmacist is fully recognized by the Centers for the Medicare and Medicaid Services (CMS) as a facility that provides a vocation of rigorous programs and pharmacist who are armed with knowledge for the community’s health needs. “Our biggest challenge is breaking the ice introducing our services to the community,” says Dr. Achusim.

“I am so grateful and thankful to God as described in *Jeremiah 29:11* “For I know the plans I have for you, declares the Lord, plans to prosper you, and not harm you, plans to give you hope and a future”. Dr. Achusim’s words of advice are, “fear not, believe God, give your life to Jesus Christ for he is Real. Trust him, He will never disappoint you”.

SBA New Mexico honors 2020 award winner

Dar Johnson, SCORE

The U.S. Small Business Administration of New Mexico has named its Small Business Award winners for 2020.

Among those recognized as 2020 Small Business Award winners AAGACC Board Member Dar Johnson, SCORE.

Covid-19 restrictions meant this year's winners were recognized during an online ceremony in late September as part of Small Business Week.

"We know that small businesses are the driving force of American economic stability and are essential to our Nation's economic rebound from the pandemic," New Mexico District Director, John Garcia said in an email statement. "That is why now, more than ever, this virtual ceremony was so important to shine the spotlight on those who represent the thousands of business owners and lenders that have adapted, preserved in the face of this crisis,"
